5) CIB GRANT AND CIB REPRESENTATIVE: Zach Leavitt was in attendance to discuss the funding of the Loan for the BACK-UP GENERATOR. Jed didn't sign the papers in time and Patricia was slightly upset. " Patricia shared all the steps she went through to research and progress forward on the CIB GRANT request. Then she expressed how upset she was that the Mayor consulted with all other Town Council members, but would not return calls or talk to her about the Grant before making the "not to sign" paperwork decision. She agreed to continue research on the generator, but refused to do any further paperwork for Mayor's signature until she is treated and communicated with as a Town Official."

Zach said that we could apply later in the year, October, if we still wanted the Grant. The Council talked about the Grant and wanted to have more time to discuss the matter. John made the motion to continue looking into the Grant and to have it in place this year. Joan seconded it and the Motion was passed. Patricia abstained. Thanked Zach for coming to the meeting.

6) JOB'S: WATER HANDLER AND P&Z: No one stepped in for the P&Z, so Brandon volunteered to chair the Committee for now and then see if we can get more people involved. Only 2 people applied for assistant Water Handler, Jay Bartholomew and Lee Leifson. The Council decided to accept Jay Bartholomew as new Assistant. John made the motion to accept Jay and that the Town would pay for his training, Joan seconded the motion and the Motion was passed.

Also, they asked for one more pole.
