- 5) WE NEED TO TALK ABOUT THE SPRING—ONLY RESIDENTS OR NOT? The Spring is a big deal this year and people are complaining about the use of the Spring. The Mayor said that the Spring is Private Property and it should be treated with respect.**

There was an article written in the Gazette last week that expressed how Wonderful the Fayette Spring is and that it is a treasure to this Area. So we have had a lot of out of Town people visiting it this last little while just to see it. But unfortunately they have not cleaned up after they leave and the Town citizens can't get up there to use it.

The Town Council is looking into ways to protect it for the Town Citizens and keep the water safe for drinking water. They mentioned signs, Police, fencing it and cameras and No Dogs!!

Jed will write up an article for the paper to let people know that it is Private Property.

The Town Council will look into others methods also.

- 6) CONSIDER LETTING TOWN HALL BE USED FOR GAME NIGHT FOR FREE: The Town Council has been asked if the Citizens can use the Town Hall for game night for free. Brandon made a Motion to allow the Hall to be used for free as**

long as the Citizens are following the Coronavirus guidelines at the time. Kelly Sue seconds the Motion. The Motion passes.

8) TALK ABOUT BUDGET—WHAT IS GOOD AND WHAT NEEDS MORE MONEY?

The Budget was looked at and it was something that worked really well for the Town last year, except a few things needed to be upped. The Town Clerk and the CPA will fix these problems. John makes the motion to pass the budget with adjustments done. Katie seconds the Motion. The Motion passes.

9) CONSIDER YOUTH COUNCIL FOR TOWN: The Mayor would like to try a Youth Council so that they can see how things work. Kelly Sue suggested a trip to the Legislature at the Capital in SLC. Would like to get at least one to three members to help Town Council know what the Youth need or want in Town. The Council will mention this in our newsletter and see if anyone wants to participate.

10) LOTS THAT ARE GETTING CLUTTERED—EYE SORE It was brought up that there are a few lots in Town that are storing cars and they are an Eye sore to the Town. If the owner has a business license to fix cars then it will be ok, but others might need a letter to remind them of the Town Ordinance. The yards that are not mowed down are also a concern for fire also.

A letter will be done and sent out.
