**[FORM OF REVERSE SIDE OF OR TO BE APPENDED TO THE BONDS]**

This Bond is a special obligation of the Issuer and is one of an issue of a total series of fully-registered Street Improvement Revenue Bonds, Series 2021, designated as "Street Improvement Revenue Bond, Series 2021", in the aggregate principal amount of \$100,000 dated as of the date set forth below, issued under, by virtue of, in full conformity with and after full compliance with the Constitution and laws of the State of Utah, including particularly the Utah Local Government Bonding Act, Chapter 14 of Title 11, Utah Code Annotated 1953, as amended, the Registered Public Obligations Act, Chapter 7 of Title 15, Utah Code Annotated 1953, as amended, and a Master Resolution duly adopted by the Town Council of the Issuer (the "Governing Body") on \*, 2021, authorizing this Bond (the "Master Resolution"), for the purpose of paying all or part of the cost of constructing street and drainage improvements, including pothole repair and the installation of chip and seal in designated locations, together with all related work and improvements, including, without limitation, all fees and expenses reasonably incurred in connection therewith and with the issuance of such Bonds as may be properly payable from the proceeds thereof. Principal of, premium, if any, and interest, if any, on this Bond is payable solely from the revenues, funds and other monies pledged or provided therefor under the terms of the Master Resolution.

The Issuer hereby represents that the principal amount of this Bond anticipated to be paid from Revenues shall not, at any one time, exceed an amount for which the average annual installments of principal and interest, if any, will exceed 80% of the Pledged Revenues to be derived from the collection or rebate of Excise Taxes (as defined in the Master Resolution) at the rate established at the time of the adoption of the Master Resolution authorizing the issuance of this Bond.

To the extent and in the respects permitted by the Master Resolution, the Master Resolution may be modified or amended by action on behalf of the Issuer taken in the manner and subject to the conditions and exceptions prescribed in the Master Resolution. The holder or owner of this Bond shall have no right to enforce the provisions of the Master Resolution or to institute action to enforce the pledge or covenants made therein or to take any action with respect to an event of default under the Master Resolution or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Master Resolution.

The Bonds are dated as of \_\_\_\_\_, 2021 and are duly issued under and by virtue of the Act and under and pursuant to the Master Resolution. A copy of the Master Resolution is on file at the office of the Town Clerk of the Issuer in Fayette Town, Sanpete County, Utah, and reference to the Master Resolution and to the Act is made for a description of the pledge and covenants securing the Bonds, the nature, manner and extent of enforcement of such pledge and covenants, the terms and conditions upon which the Bonds are issued and a statement of the rights, duties, immunities and obligations of the Issuer. Such pledge and other obligations of the Issuer under the Master Resolution may be discharged at or prior to the maturity or redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Master Resolution.

This Bond is transferrable, as provided in the Master Resolution, only upon the books of the Issuer kept for that purpose at the office of the Town Clerk of the Issuer, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer in a form approved by the Issuer, duly executed by the registered owner or his duly authorized attorney, and thereupon the Issuer shall issue in the name of the transferee a new registered Bond or Bonds of the same aggregate principal amount, series designation and maturity as the surrendered Bond, all as provided in the Master Resolution and upon the payment of the charges therein prescribed. The Issuer and any Paying agent may treat and consider the person in whose name this Bond is registered as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest, if any, payable hereon and for all other purposes whatsoever.

Subject to the provisions of the Master Resolution, the Bonds are issuable in fully registered form, without coupons, in the denomination of \$1000 and any integral multiple thereof.

The Bonds are subject to redemption at any time at the option of the Issuer in whole or in part (if in part, in integral multiples of \$1000) in inverse order of maturity upon notice given as hereinafter set forth, at a redemption price equal to the principal amount of each Bond or portion thereof to be so redeemed, and without premium.

If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds to be redeemed shall be selected as provided in the Master Resolution; provided, however, that subject to other applicable provisions of the Master Resolution, the portion of any Bond to be redeemed shall be in a principal amount equal to a denomination in which the Bond was authorized to be issued, and

that in selecting Bonds for redemption, the Issuer shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$1000. If part but not all of a Bond in a denomination in excess of \$1000 is to be redeemed, the registered owner thereof shall present and surrender such Bond to the Issuer, and the Issuer shall execute and authenticate and deliver to the registered owner thereof, without charge therefor, a Bond or Bonds of the same maturity for unredeemed balance of the principal amount of such Bond, all as more fully set forth in the Master Resolution.

Notice of redemption shall be given by the Issuer by registered mail, not less than 30 days nor more than 45 days prior to the redemption date, to the registered owner of this Bond, at his address as it appears on the bond registration books of the Issuer, or at such address as he may have filed with the Issuer for that purpose. Each notice of redemption shall state the redemption date and the principal amount and, if less than all of the Bonds are to be redeemed, the distinctive numbers of the Bonds to be redeemed.

If notice of redemption shall have been given as aforesaid, the Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated.

Except as otherwise provided herein and unless the context clearly indicates otherwise, words and phrases used herein shall have the same meanings as such words and phrases in the Master Resolution.

### ARTICLE III

#### SALE OF BONDS; SYSTEM OF REGISTRATION

##### Section 3.01. Sale of Series 2021 Bond; Escrow Account.

(a) The sale of the Bond to the Community Impact Board at a price equal to the Issue Amount is hereby approved, ratified and confirmed. The Bond shall be delivered to the Community Impact Board as soon as may be conveniently done hereafter. The purchase price for the Bond will be deposited with the Escrow Agent, to be held by the Escrow Agent in accordance with the provisions of this Master Resolution and the Escrow Agreement.

The proceeds of the sale of the Series 2021 Bond shall be deposited at the time of sale in the Escrow Account as defined in Article I herein to be administered by the Escrow Agent. All monies so deposited in said fund shall be used solely for the purpose of acquiring the necessary property and constructing improvements, additions and extensions to the System, including any architectural, engineering, legal, fiscal agent and other expenses incidental thereto.

Any unexpended proceeds remaining in said Escrow Account after completion of the Project shall be paid immediately into the "Fayette Town, Sanpete County, Utah Series 2021 Parity Water Revenue Bond Fund" hereafter described. The said unexpended proceeds shall be used only for the prepayment of amounts of principal due or to become due on the Bonds in inverse order of maturities or for redemption of any Serial Bonds at a price (exclusive of accrued interest) not exceeding the face amount thereof and as provided in the Escrow Agreement. Redemptions made under this condition shall be made pro-rata, in direct proportion to the respective amounts then remaining unpaid under the Bonds. Any bonds so redeemed shall be cancelled and shall not be reissued. Following the transfer of unexpended funds from the Escrow Account to the said Revenue Fund, the Escrow Account will be closed.

(b) Proceeds of the sale of the Bond shall be paid into and disbursed from a special fund held by the Escrow Agent in the Escrow Account heretofore established and confirmed and to be known as the Escrow Account. Money in the Escrow Account shall be held, used and paid out solely for the purpose set out in Section 2.01 hereof or to prepay the Bond as hereinafter provided, pursuant to the provisions of the Constitution and laws of the State of Utah and the provisions of the Escrow Agreement, which provisions shall include a requirement that each disbursement of monies from the Escrow Account shall be made only upon the written authorization of the State and the Issuer in the manner provided in the Escrow Agreement. Monies held in the Escrow Account shall be invested as provided in the Escrow Agreement.

(c) Upon completion of the Project, the Issuer shall immediately notify the State in writing of such completion and shall immediately transfer, or cause the Escrow Agent to immediately transfer, in the manner set forth in the Escrow Agreement, any funds remaining in the Escrow Account to the Bond Fund. Such funds shall be used to the fullest extent possible and as

soon as possible hereunder, to prepay principal installments on the Bond in the manner set forth in this Master Resolution by applying such amounts against principal installments in inverse order of maturity.

Section 3.01. Registration and Exchange of Bonds.

(a) This Article shall constitute a system of registration within the meaning and for the purpose of Chapter 7 of Title 15, Utah Code Annotated, 1953, as amended. The Issuer shall cause books for the registration and for the transfer of the Bonds to be kept at the office of its Town Clerk.

(b) Upon surrender for transfer of any of the Bonds at the office of the Issuer, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Issuer and duly executed by the registered owner or his attorney duly authorized in writing, the Town Clerk or other duly authorized official of the Issuer shall note the name of the transferee or transferees and the date of the transfer in the place provided on the back of the Bonds and shall affix his or her official signature thereon. The Town Clerk shall thereupon deliver the Bond or Bonds to the transferee and shall enter in the registration books of the Issuer the name and address of the transferee.

(c) The Issuer shall not be required to transfer any of the Bonds during the period from the fifteenth day of the month next proceeding any Payment Date on the Bonds to and including such Payment Date, nor to transfer the Bonds during a period of 15 days next preceding mailing of a notice of prepayment of any installment, or portion thereof, on the Bonds.

(d) The person in whose name the Bonds shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and the Issuer shall not be affected by any notice to the contrary. Payment of the principal of and interest, if any, on the Bonds shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid.

(e) No service charge shall be made by the Issuer for any transfer of the Bonds but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Bonds.

(f) Prior to making any transfer of the Bonds as provided in this Section, the Town Clerk shall verify that the payment record and prepayment record attached to the Bonds have been accurately completed as of the date of such transfer and, if necessary, conform such payment record and prepayment record to accurately reflect all payments of principal on the Bonds, based on the records and information with respect to such Bonds maintained by the Issuer and the registered owner surrendering such Bonds.

Section 3.02. Mutilated, Lost, Destroyed or Stolen Bond. If any of the Bonds shall become mutilated, the Issuer, at the expense of the registered owner thereof, shall execute and deliver a new Bond of like tenor in exchange for the Bond so mutilated, but only upon surrender to the Treasurer of the Bond so mutilated, which Bond shall thereupon be canceled by the Issuer. If the Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Issuer and if such evidence be satisfactory and given, the Issuer, at the expense of the registered owner thereof, shall execute and deliver a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if the entire principal amount of the Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same without surrender thereof). Any Bond issued under the provisions of this Section in lieu of a Bond alleged to be lost, destroyed or stolen shall constitute an additional contractual obligation of the Issuer and shall be equally and proportionately entitled to the benefits of this Master Resolution. The Issuer shall not be required to treat both the original Bond and the duplicate Bond as being Outstanding for the purpose of determining the principal amount of the Bond and Parity Bonds which may be issued under this Master Resolution or for the purpose of determining any percentage of the Bond or Parity Bonds Outstanding under this Master Resolution, but both the original and duplicate Bond shall be conformed by the Town Clerk to accurately reflect all payments of principal on the lost, destroyed or stolen Bond, based on the records and information with respect to such lost, destroyed or stolen Bond maintained by the Issuer and the registered owner of the Bond.

## **ARTICLE IV**

#### Section 4.01. Pledge Effected by the Master Resolution.

There is hereby pledged for the payment of the principal of, prepayment premium, if any, and interest, if any, on the Bond in accordance with their terms and the provisions of this Master Resolution, subject only to the provisions of this Master Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Resolution, (i) the proceeds of sale of the Bond, (ii) the Revenues, and (iii) all funds established hereunder, including the investments, if any, thereof. Except as otherwise provided in this Section, the Bond herein authorized shall enjoy complete priority of lien on the Revenues.

(b) In no event shall the Bond be deemed or construed to be a general indebtedness of the Issuer or payable from any funds of the Issuer other than those derived from the operation of the System.

Section 4.02. Establishment of Funds. The following funds are hereby established and confirmed:

- (1) Revenue Fund, to be held by the Issuer;

- (2) Bond Fund, to be held by the Issuer; and
- (3) Reserve Fund, to be held by the Issuer.

Section 4.03. Revenue Fund.

(a) There shall be deposited into the Revenue Fund, as received, the Revenues. The Revenue Fund shall be deposited with the Depository and the monies credited to said Revenue Fund shall be expended only in the manner herein specified.

(b) Expenses of Maintenance and Operation shall be paid by the Issuer from time to time as they become due and payable and shall be a first charge on the Revenue Fund.

Section 4.04. Flow of Funds.

(a) As soon as practicable in each month after the deposit of Revenues in the Revenue Fund, and after payment of unpaid Expenses of Maintenance and Operation then due, but in any case, prior to the end of such month, the Issuer shall transfer, or cause the Depository to transfer, to the extent of monies available in the Revenue Fund, to the following funds in the following order the amounts set forth below:

(1) In the Bond Fund, in each Year, one-twelfth of the amount of the principal and interest, if any, due on the Bond on the next succeeding Payment Date; and

(2) In the Reserve Fund, beginning the month next following the month in which the Bond is issued hereunder, a sum equal to the Reserve Fund Installment for the Bond, so as to cause to be on deposit in the Reserve Fund an amount equal to the Reserve Fund Requirement for the Bond not later than 72 months following the commencement of such monthly transfers; provided, however, that if monies shall ever be paid out of the Reserve Fund, monies shall be deposited, in addition to other deposits required by this paragraph (2), into the Reserve Fund from available Revenues (after making all other payments of Expenses of Maintenance and Operation and deposits into the Reserve Fund heretofore provided in this Section) to the extent necessary to cause the amount paid out to be replaced.

(b) Amounts remaining in the Revenue Fund on the final day of each month in each year after payment of the amounts required by paragraph (a) of this Section and not required to meet Expenses of Maintenance and Operation or used for remedying any deficiencies in the payments previously made to the funds herein established, may be used, at the option of the Issuer and to the extent permitted by law, (1) to purchase or prepay any Bond in accordance with the provisions hereof governing prepayment of Bonds authorized hereunder in advance of maturity or, in the case of Future Parity Bonds, in accordance with the provisions of the resolution authorizing such Future Parity Bonds governing prepayment of such Future Parity Bonds in advance of maturity, including payment of expenses in connection with such purchase or prepayment; (2) to pay the principal or prepayment

price of and interest, if any, on any bonds, including general obligation or junior lien revenue bonds of the Issuer issued to acquire, construct, improve or extend the System; (3) to pay the costs of capital improvements to the System; and (4) for any other lawful purpose, including, without limitation, payment of other obligations of the Issuer.

Section 4.05. Bond Fund. Monies in the Bond Fund shall be used for the purpose of paying principal, prepayment premium, if any, and any applicable interest when due on the Bond. The Bond Fund shall be kept on deposit with the Depository.

Section 4.06. Reserve Fund. In the event that the money on deposit in the Bond Fund on the final day of any month is less than the amount required to be in the Bond Fund pursuant to Section 4.04(a)(1) hereof, then the Issuer shall cause any funds on deposit in the Reserve Fund to be immediately transferred by the Depository to the Bond Fund in the amount required to eliminate the deficiency in the Bond Fund. Monies in the Reserve Fund may, if not required to be transferred to the Bond Fund as provided in this section, be used for the purpose of making emergency repairs or replacements to the System as shall be necessary to insure the continued operation thereof and the capacity of the System to earn Revenues. The Reserve Fund shall be kept on deposit with the Depository.

Section 4.07. Investment of Funds. All money maintained on deposit with the Depository shall be held as special and not as general deposits, the beneficial interest in which shall be in the registered owners from time to time of the Bond. All money so maintained on deposit with the Depository shall be secured to the fullest extent required or permitted by the laws of the State of Utah pertaining to the securing of public deposits. All or part of the money in the Bond Fund and in the Reserve Fund shall be invested by the Depository, at the direction of the Issuer, in Permitted Investments, but any such investments so made shall always be such that the obligations mature or become optional for redemption in amounts and at times so as to assure the availability of the proceeds thereof when needed for the purpose for which such funds were created. Interest received on all such investments permitted hereunder shall be deposited in the Revenue Fund, except that at any time less than the required amount is on deposit in either the Bond Fund or the Reserve Fund, then interest attributable to such fund, respectively, shall be deposited into such fund. Whenever any money so invested from the Bond Fund or the Reserve Fund is needed for the purpose for which such fund was created, such investments, to the amount necessary, shall be liquidated by the Depository at the direction of the Issuer, and the proceeds thereof applied to the required purpose.

Section 4.08. Use of Funds When Reserves Sufficient to Pay Outstanding Bonds. Whenever there is sufficient available money in the Bond Fund and in the Reserve Fund to pay in full all principal and interest, if any, under these Bonds and all Bonds in accordance with their terms and the terms of this Master Resolution or, in the case of Future Parity Bonds, the resolution authorizing the issuance of such Future Parity Bonds, the money in such funds shall be used for such purpose and no other purpose but no additional payments need to be made into either fund unless necessary to replace monies lost or otherwise dissipated therefrom.

## ARTICLE V

### COVENANTS AND UNDERTAKINGS

Section 5.01. Covenant of Issuer. The Issuer hereby covenants and agrees with each and every holder of the Bonds the following:

(a) While any of the Bonds remain outstanding and unpaid, any resolution or other enactment of the Issuer, applying the Pledged Revenues for the payment of the Bonds shall be irrevocable until the Bonds have been paid in full as to both principal and interest, if any, and shall not be subject to amendment or modification in any manner which would impair the rights of the holders of the Bonds or which would in any way jeopardize the timely payment of principal or interest, if any, when due.

(b) So long as any Bonds remain outstanding, proper books of record and account will be kept by the Issuer separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the receipt and use of Pledged Revenues. Each Bondholder or any duly authorized agent or agents of such holder shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. Except as otherwise provided herein, the Issuer further agrees that it will within one hundred fifty (150) days following the close of each fiscal year (the term "fiscal year" as used in this subsection meaning whatever twelve-month period the Issuer may from time to time be using for general financial accounting purposes) cause an audit of such books and accounts to be made by an independent firm of certified public accountants, showing the receipts and disbursements for account of Pledged Revenues, and that such audit will be available for inspection by each Bondholder; provided, however, during such periods of time as the Community Impact Board is the Registered Owner of the Bond, each such audit will be supplied to the Community Impact Board as soon as completed without prior request therefor by the Community Impact Board. Each such audit, in addition to whatever matters may be thought proper by the accountant to be included therein, shall include the following:

(i) A statement in detail of the receipt and expenditure of Pledged Revenues for such fiscal year;

(ii) A balance sheet as of the end of such fiscal year;

(iii) The accountant's comments regarding the manner in which the Issuer has carried out the requirements of this Master Resolution, and the accountant's recommendations for any change or improvement;

(iv) A list of the insurance policies in force at the end of the fiscal year, setting out as to each policy, the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy; and

(v) An analysis of all funds created in this Master Resolution, setting out all deposits and disbursements made during the fiscal year and the amount in each fund at the end of the fiscal year.

The Community Impact Board may, upon written request from the Issuer setting forth the reasons why a certified audit is not necessary or is impractical, waive the audit requirements for any particular fiscal year set forth in this Subsection 5.01(b), provided, however, that such waiver shall not apply to the reporting requirements of the Issuer set forth in Subsection 5.01(c) herein.

(c) In addition to the reporting requirements set forth in Subsection 5.01(b) above, the Issuer shall submit to the Community Impact Board within one hundred fifty (150) days following the close of the Issuer's fiscal year, a summary report substantially in the form as provided by the Community Impact Board to the Issuer upon purchase of the Bonds.

All expenses incurred in compiling the information required by this section shall be regarded and paid as an operation and maintenance expense of the Project. If a Bondholder is other than the Community Impact Board, the Issuer agrees to furnish a copy of such information to such Bondholder at its request after the close of each fiscal year. Any Bondholder shall have the right to discuss with the accountant compiling such information the contents thereof and to ask for such additional information as it may reasonably require.

(d) Each Bondholder shall have the right at all reasonable times to inspect the Project, and all records, accounts and data of the Issuer relating thereto, and upon request, the Issuer will furnish to it financial statements and other information relating to the Issuer and the Project as it may from time to time reasonably require.

(e) Every officer, agent or employee of the Issuer having custody or control of any of the Revenues or of the proceeds of the Bonds shall be bonded by a responsible corporate surety in an amount not less than the greatest amount reasonably anticipated to be within the custody or control of such officer, agent or employee at one time. The premiums on such surety bonds shall not be an operation and maintenance expense of the Project.

(f) The Issuer shall commence and complete the acquisition and construction of the Project with all practical dispatch and will cause all construction to be effected in a sound and economical manner.

(g) The Issuer will from time to time duly pay and discharge or cause to be paid all taxes, assessments and other governmental charges, if any, lawfully imposed upon the Project or any part thereof or upon the Revenues, as well as any lawful claims for labor, materials or supplies which if unpaid might by law become a lien or charge upon the Revenues or any part thereof or which might impair the security of the Bond, except when the Issuer in good faith contests its liability to pay the same.

(h) All payments falling due on the Bonds shall be made to the Bondholder thereof at par and all charges made by the Depository Bank for its services shall be paid by the Issuer.

(i) The Issuer will maintain its corporate identity, will make no attempt to cause its corporate existence to be abolished and will resist all attempts by other municipal corporations to annex all or any part of the territory now or hereafter in the Issuer or served by the System.

Section 5.02. Covenant of State of Utah. In accordance with Section 11-14-307, Utah Code Annotated 1953, as amended, the State of Utah hereby pledges and agrees with the holders of the Bonds, that it will not alter, impair or limit the excise taxes in a manner that reduces the amounts to be rebated to the Issuer which are devoted or pledged herein until the Bonds, together with applicable interest, are fully met and discharged; provided, however, that nothing shall preclude such alteration, impairment, or limitation if and when adequate provision shall be made by law for the protection of the holders of the Bonds.

Section 5.03. Observance of Laws and Regulations; Permits, Licenses and Claims.

(a) The Issuer will well and truly keep, observe and perform all valid and lawful obligations or orders or regulations now and hereafter imposed on it by contract, or prescribed by any law of the United States of America or of the State of Utah, or by any officer, board or commission having jurisdiction or control over the Issuer or the System or both, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the Issuer, including its right to exist and carry on business, to the end that such rights, privileges and franchises shall be maintained and preserved, and shall not become abandoned, forfeited or in any manner impaired; provided, however, that the Issuer shall not be required to comply with any such orders so long as the validity or application thereof shall be contested in good faith.

(b) The Issuer shall at all times undertake reasonable efforts to perfect, and protect and maintain rights of any kind, all purchase contracts of any kind, and all permits, licenses and claims, necessary for the operation of the System.

Section 5.04. Insurance and Fidelity Bonds.

(a) The Issuer agrees to procure and maintain, or cause to be procured and maintained, insurance on the System and public liability insurance in such amounts and against such risks as are usually insurable in connection with similar systems and as is usually carried by municipalities operating similar systems.

(b) The Issuer further agrees to procure and maintain, or cause to be procured and maintained, adequate fidelity insurance or bonds on the positions of Executive Officer and Town Clerk and on any other person or persons handling or responsible for funds of the Issuer related to the System.

(c) The provisions of this Section relating to the procurement and maintenance of insurance are subject to the condition that insurance of the type described herein is obtainable at reasonable rates and upon reasonable terms and conditions.

Section 5.05. Against Competition with System Services. The Issuer, so far as it legally may, covenants and agrees that it will not operate or grant a franchise for the operation of any system competing with the System within the boundaries of the Issuer as long as any of the Bonds are Outstanding.

Section 5.06. Future Parity Bonds.

(a) The Issuer will issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Revenues, unless such other bonds or obligations together with all then Outstanding Bonds payable from the Revenues do not exceed an amount for which the average annual installment of principal and interest, if any, exceeds 80% of the total excise tax revenues received by the Issuer from the collection or rebate of the excise tax revenues during the fiscal year of the Issuer immediately preceding the year in which the resolution authorizing the issuance of Future Parity Bonds is adopted and Issuer otherwise complies with the provisions of Section 11-14-307, Utah Code Annotated, as amended; provided that at any time Future Parity Bonds may be authorized by resolution of the Governing Body the following conditions shall be met:

(1) If the Future Parity Bonds are to be issued solely for the purpose of refunding a portion of the Bonds then outstanding then, for the purpose of making the calculation required under the foregoing paragraph, the maximum annual debt service on the Outstanding Bonds in any future Year shall take into consideration only Bonds that will remain outstanding after the issuance of such Future Parity Bonds, provided that if before the issuance and delivery of such Future Parity Bonds all of the Bonds theretofore issued will have been retired, nothing herein contained shall limit or restrict the issuance of any such Future Parity Bonds;

(2) Future Parity Bonds may be issued only for the purpose of acquiring, constructing, improving or extending the System, or for the purpose of refunding any outstanding Bonds, or for any combination of such purposes;

(3) The resolution authorizing the issuance of such Future Parity Bonds shall provide that the last maturity date of the Future Parity Bonds shall not be earlier than the last maturity date of any Bonds theretofore issued and then outstanding and shall provide for fixed serial maturities or mandatory minimum sinking fund payments, of any combination thereof, in such amounts as will be sufficient to provide for the payment or retirement of all such Future Parity Bonds on or before their respective maturity dates;

(4) The payments required to be made into the various funds provided in Article IV hereof must be current at the time of the issuance of such Future Parity Bonds; and

(5) Any proceedings authorizing issuance of Future Parity Bonds must provide that the Reserve Fund therein is to be accumulated to an amount not less than the maximum annual debt service within 36 months from the date of delivery of such Future Parity Bonds, in 36 approximately equal monthly installments. The Reserve Fund requirement for Future Parity Bonds will be in addition to the requirement that the reserves of all outstanding bonds, both Prior Lien Bonds and Parity Bonds, shall (without contradictory redundancy) be raised and maintained to an amount which is the greater of the reserve fund requirement established in each respective resolution authorizing the issuance of any then outstanding Bonds or the maximum annual debt service on each Bond.

(b) A certificate evidencing compliance with the foregoing requirements of this Section signed by the Executive Officer and attested and countersigned by the Town Clerk shall be delivered to the State so long as it is the registered owner of any of the Bonds and to any other registered owner of any of the Bonds requesting a copy thereof, prior to the issuance of any Future Parity Bonds.

#### Section 5.07. Rights and Remedies of Bondholders.

(a) The registered owner of any outstanding Bonds from time to time shall be permitted the exercise of all rights and powers to which such registered owner is entitled under the Constitution and laws of the State of Utah.

(b) In addition to all other rights afforded by the Constitution and laws of the State of Utah, to the extent permitted by law, the Issuer agrees that the registered owner of any outstanding Bonds shall have the right (i) to apply to and obtain from any court of competent jurisdiction such decree or order as may be necessary to require the officials of the Issuer to charge and collect rates for services supplied by the System sufficient to meet all requirements of this Master Resolution, and (ii) if any of the Bonds shall be permitted to default as to payment of principal, prepayment premium, if any, and interest, if any, thereon to apply to a court of competent jurisdiction to appoint a receiver for the System.

(c) Further, in the event of default the bondholder has the remedy to impose interest on the total outstanding principal balance of the Bonds at the rate of 18% per annum until the default is cured.

Section 5.08. Bank Deductibility. Pursuant to Section 265 of the Code, the Issuer hereby designates the Series 2021 Bond as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest to the extent permitted by law. The Issuer reasonably anticipates that the total amount of tax-exempt obligations [other than private activity bonds, as defined in Section 141 of the Code (a qualified 501(c)(3) bond, as defined in Section 145 of the Code, any bond issued to refund certain obligations issued before August 8, 1986 as described in Section 265(b)(3)(B)(ii)(II) of the Code, and any obligation to which Section 141(a)

of the Code does not apply by reason of Sections 1312, 1313, 1316(g) or 1317 of the Tax Reform Act of 1986 and which is described in Section 265(b)(3)(C)(ii)(II) of the Code not being treated as a private activity bond for this purpose)] which will be issued by the Town and by an aggregated issuer during the current calendar year will not exceed \$10,000,000. For purposes of this Section 5.08, “aggregated issuer” means any entity which (i) issues obligations on behalf of the Town, (ii) derives its issuing authority from the Town, or (iii) is subject to substantial control by the Town. The Issuer hereby represents that (a) it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code, and (b) the total amount of obligations issued by the Town and aggregated issuers for the current calendar year does not exceed \$10,000,000.

Section 5.09. Arbitrage Rebate Exemption for Small Issuer. The Issuer hereby certifies for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code from the requirement to rebate arbitrage earnings from investment of proceeds of the Series 2021 Bonds (the “Rebate Exemption”) as follows:

(a) The Series 2021 Bond is issued by the Town which has general taxing powers.

(b) Neither the Series 2021 Bond nor any portion thereof is a private activity bond as defined in Section 141 of the Code (“Private Activity Bond”).

(c) Ninety-five percent (95%) or more of the net proceeds of the Series 2021 Bond are to be used for local government activities of the Town (or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Town).

(d) Neither the Town nor any aggregated issuer has issued or is reasonably expected to issue any tax-exempt bonds other than Private Activity Bonds (as those terms are used in Section 148(f)(4)(D) of the Code) during calendar year 2021-2022.

For purposes of this Section 5.09, “aggregated issuer” means any entity which (a) issues obligations on behalf of the Town, (b) derives its issuing authority from the Town, or (c) is subject to substantial control by the Town.

The Issuer hereby represents that it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 148(f)(4)(D)(IC) of the Code.

Accordingly, the Issuer will qualify for the Rebate Exemption granted to small governmental units under Section 148(f)(4)(D) of the Code, and the Issuer shall be treated as meeting the requirements of Paragraphs (2) and (3) of Section 148(f) of the Code relating to the required rebate of arbitrage earnings to the United States with respect to the Series 2021 Bond.

The provisions of such contract shall be enforceable by appropriate proceedings to be taken by any of such registered owners either at law or in equity, to the extent permitted by law.

Section 5.11. Compliance with Resolution. The Issuer will not issue, or permit to be issued, any bonds or other obligations in any manner other than in accordance with the provisions of this Master Resolution and will not suffer or permit any default to occur under this Master Resolution, but will faithfully observe and perform all of the covenants, conditions and requirements hereof. The Issuer will make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Master Resolution and for the better assuring and confirming to the registered owners of the Bonds of the rights, benefits and security provided in this Master Resolution. The Issuer for itself, its successors and assigns represents, covenants and agrees with the registered owners of the Bonds, as a material inducement to the purchase of the Bonds, that so long as any of the Bonds shall remain outstanding and the principal thereof, prepayment premium, if any, or interest, if any, thereon shall be unpaid or unprovided for, it will faithfully perform all of the covenants and agreements contained in this Master Resolution and the Bonds.

Section 5.12. Power to Issue Bond and Pledge Revenues and Funds; Ownership of Project. The Issuer is duly authorized under all applicable laws to create and issue the Bond and to adopt this Master Resolution and to pledge the Revenues purported to be pledged by Resolution in the manner and to the extent provided herein. The Bond and the provisions of this Master Resolution are and will be the valid and legally enforceable obligations of the Issuer in accordance with the terms of the Bond and the terms of this Master Resolution. The Issuer shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Revenues under this Master Resolution and all the rights of the registered owners of the Bond under this Master Resolution against all claims and demands of all persons whomsoever.
